

Asia Pacific Security Values And Identity

A Comprehensive Guide to Regional Security Dynamics

The Asia-Pacific region is one of the most dynamic and complex regions in the world. It is home to a diverse range of countries, cultures, and economies, and it is a major center of global trade and investment. The region is also facing a number of security challenges, including terrorism, maritime piracy, and nuclear proliferation.

Reviews

"This is a timely and important book that provides a comprehensive overview of the security values and identity of the Asia-Pacific region. The authors do an excellent job of examining the historical, cultural, and political factors that have shaped the region's security outlook, and they provide a clear and insightful analysis of the challenges and opportunities facing the region in the 21st century. This book is a must-read for anyone interested in Asia-Pacific security."

- Dr. Michael Yahuda, Professor of International Relations, London School of Economics

"This book is a valuable contribution to the literature on Asia-Pacific security. The authors provide a comprehensive and nuanced analysis of the region's security values and identity, and they offer a clear-eyed assessment of the challenges and opportunities facing the region in the 21st century. This book is a must-read for anyone interested in the future of Asia-Pacific security."

- Dr. Evelyn Goh, Senior Fellow, S. Rajaratnam School of International Studies, Nanyang Technological University
