

# Assessment, Case Conceptualization and Treatment, Third Edition: A Comprehensive Guide to Psychotherapeutic Practice

By John C. Norcross, PhD, and Gregory K. Smith, PhD

Assessment, Case Conceptualization and Treatment, Third Edition is a comprehensive guide to psychotherapeutic practice. This book provides a step-by-step framework for assessment, case conceptualization, and treatment planning, and includes case examples and exercises to help readers apply the concepts to their own work.

The third edition of this bestselling text has been fully revised and updated to reflect the latest research and best practices in psychotherapy. New to this edition is a chapter on the assessment of cultural factors, as well as increased coverage of evidence-based treatments for a variety of mental health disorders.
