Attack Upon Christendom is a comprehensive guide to the challenges facing the Christian faith today.

In this book, Strobel tackles some of the most difficult questions that Christians are facing, including:

- The problem of evil and suffering
- The challenge of science

- The rise of secularism
- The threat of Islam

Strobel answers these questions with his trademark clarity and logical rigor, drawing on the latest research and insights from leading Christian scholars.

But Attack Upon Christendom is more than just a defensive manual.

It is also a call to action. Strobel urges Christians to be bold in their witness and to engage with the culture in a way that is both winsome and persuasive.

Here are just a few of the things you will learn in Attack Upon Christendom:

- How to respond to the objections of atheists and agnostics
- How to defend the Bible against the attacks of skeptics
- How to share your faith with people from different backgrounds
- How to make a difference in the world for Christ

If you are serious about your faith, then you need to read Attack Upon Christendom. This book will give you the tools you need to defend your faith in a challenging world and to share it with others in a powerful and persuasive way.

ABOUT THE AUTHOR

Lee Strobel is a former atheist and legal editor for the Chicago Tribune. He is the best-selling author of more than forty books, including The Case for

Christ, The Case for Faith, and The Case for a Creator. Strobel is also a frequent speaker at conferences and churches around the world.
