As parents, we all want our babies to be happy and content. But the reality is that babies experience a wide range of emotions, including sadness, anger, and frustration. It's important to help our babies learn how to identify and express their emotions in a healthy way.

Baby Happy Baby Sad by Leslie Patricelli is a delightful board book that captures the full range of emotions that babies experience. With simple text and adorable illustrations, this book is sure to become a favorite for both babies and parents alike.

What's Inside Baby Happy Baby Sad?

Baby Happy Baby Sad is a simple board book with just a few words on each page. The text is simple and easy for babies to understand, and the illustrations are bright and colorful. Each page features a different emotion, such as happy, sad, angry, and frustrated. The illustrations show babies

expressing these emotions in a variety of ways, such as smiling, crying, pouting, and stomping their feet.

Here's a sample of the text from the book:

Baby happy, baby sad.

Baby angry, baby glad.

Baby tired, baby awake.

Baby hungry, baby full.

Baby silly, baby serious.

Baby noisy, baby quiet.

Baby playful, baby sleepy.

Baby curious, baby shy.
