The California Capitol Corridor is a 168-mile rail line stretching from Sacramento to San Jose. It is one of the busiest rail lines in the United States, carrying over 10 million passengers each year. The corridor passes through some of the most beautiful and diverse scenery in California, including the Sacramento Valley, the Sierra Nevada mountains, and the San Francisco Bay Area.

The California Capitol Corridor: Images of Modern America is a new book that captures the spirit and vitality of this region. The book features over 100 stunning photographs by acclaimed photographer Ethan Ayer. The photographs are accompanied by essays by award-winning author Amy Tan.

The book is divided into five chapters, each of which explores a different aspect of the Capitol Corridor. The first chapter, "The Heart of California," introduces the region and its people. The second chapter, "The Land of Plenty," celebrates the agricultural heritage of the Sacramento Valley. The third chapter, "The Mountains of Majesty," explores the beauty of the Sierra Nevada mountains. The fourth chapter, "The Bay of Dreams," captures the vibrancy of the San Francisco Bay Area. The fifth chapter, "The Road Ahead," looks to the future of the Capitol Corridor.

The California Capitol Corridor: Images of Modern America is a beautiful and inspiring book that celebrates the people, places, and stories of this vibrant region. The book is a must-have for anyone who loves California, photography, or Americana.
