### **A Multi-Sensory Learning Experience**

Hit the Hat takes a multi-sensory approach to phonics learning, making it accessible and enjoyable for all young learners. With its colorful illustrations, interactive activities, and captivating stories, this book engages children on multiple levels, fostering their love for reading from the very beginning.

### **Systematic Phonics Instruction**

This book follows the systematic Letters and Sounds program, which has been proven to be highly effective in teaching children how to read and spell. Each lesson focuses on a specific phonic sound and provides ample practice opportunities, ensuring that your child develops a strong understanding of the essential phonics skills.

### **Engaging and Educational Stories**

Hit the Hat doesn't just teach phonics; it also transports children into a world of enchanting stories. Through the adventures of lovable characters like Sam and Ben, children will encounter a variety of phonic sounds and words in context, making learning both enjoyable and meaningful.

### **Interactive Activities that Reinforce Learning**

The interactive nature of Hit the Hat keeps children actively engaged throughout their learning journey. From matching activities to puzzles and games, this book provides a wealth of opportunities for children to practice and reinforce the phonic concepts they are introduced to.

### **A Trusted Resource for Parents and Educators**

Collins Big Cat Phonics for Letters and Sounds: Hit the Hat is a trusted resource for parents and educators alike. It provides a clear and structured approach to phonics instruction, empowering parents to support their children's reading development at home. The book also aligns with the National Curriculum for England, ensuring it meets the highest standards of educational excellence.

### **Benefits of Using Collins Big Cat Phonics**

- Strengthens foundational literacy skills.
- Engages children with multi-sensory learning.
- Provides systematic phonics instruction.
- Fosters a love for reading through engaging stories.
- Offers interactive activities for reinforcement.
