**Price:**

\$44.95

**Description:**

This book explores the relationship between psychoanalysis and Jewish thought, examining how each field has influenced the development of the other. The contributors to this volume are all leading scholars in their respective fields, and they offer a wide range of perspectives on this complex and fascinating topic.

The book is divided into three parts. The first part, "Freud and Jewish Thought," examines Freud's own relationship to Judaism and how his work has been influenced by Jewish thought. The second part, "Psychoanalysis and Jewish Identity," explores how psychoanalysis has been used to understand Jewish identity and experience. The third part, "Contemporary Psychoanalysis and Jewish Thought," examines the ways in which psychoanalysis and Jewish thought are continuing to influence each other today.

This book is a valuable resource for anyone interested in the relationship between psychoanalysis and Jewish thought. It is also a fascinating read for anyone interested in the history of psychoanalysis or the history of Jewish thought.

## Reviews:

"This book is a major contribution to the field of psychoanalysis and Jewish thought. The essays are all of a high quality, and they offer a wide range of perspectives on this complex and fascinating topic. This book is a must-read for anyone interested in the relationship between these two fields."

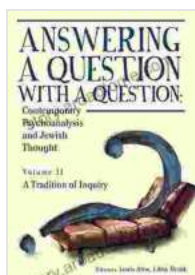

- **Dr. Arnold Goldberg**, author of *The Jewish Journey: A History of the Jewish People*

"This book is a valuable resource for anyone interested in the relationship between psychoanalysis and Jewish thought. The essays are all well-written and informative, and they provide a comprehensive overview of this important topic. This book is a must-read for anyone interested in the history of psychoanalysis or the history of Jewish thought."

- **Dr. David Bakan**, author of *Sigmund Freud and the Jewish Mystical Tradition*
