With its simple yet engaging text and colorful illustrations, this book will capture your child's attention from the very first page. They'll learn to identify different shapes, count them, and even trace their outlines. Along the way, they'll also develop their fine motor skills and hand-eye coordination.

"Squares, Triangles, Circles, Hearts, Stars, and Rectangles" is a great book for both individual and group settings. It's perfect for storytime, circle time, or even just a quiet moment of learning. And because it's part of the Jumpstart Baby Series, you can be sure that it's both educational and fun.

So if you're looking for a great way to introduce your little one to the world of shapes, look no further than "Squares, Triangles, Circles, Hearts, Stars, and Rectangles" from the Jumpstart Baby Series.
