The Yijing, or Book of Changes, is an ancient Chinese classic that has been used for centuries for divination and self-understanding. It is a complex and challenging text, but it can also be a source of great wisdom and insight.

In *Enlightened Society*, John Myrdhin Reynolds offers a unique and insightful interpretation of the Yijing's symbols and teachings from a Shambhala Buddhist perspective. Reynolds is a renowned teacher and practitioner of Shambhala Buddhism, and he brings a wealth of experience and knowledge to his reading of the Yijing.

*Enlightened Society* is not a simple how-to guide to the Yijing. Rather, it is a profound and thought-provoking exploration of the Yijing's teachings on the nature of reality, the human condition, and the path to enlightenment.

Reynolds begins by introducing the basic concepts of the Yijing, such as the yin and yang, the five elements, and the 八卦 (bagua). He then goes on to explore the Yijing's teachings on the nature of change, the importance of balance, and the power of intention.

Reynolds also discusses the Yijing's use as a tool for divination. He shows how the Yijing can be used to gain insights into our lives, relationships, and careers. However, he also cautions against using the Yijing as a substitute for our own judgment and intuition.

*Enlightened Society* is a valuable resource for anyone interested in the study of the Yijing. Reynolds' unique perspective and insights make this

book a must-read for anyone who wants to deepen their understanding of this ancient classic.

### **Praise for Enlightened Society**

"John Myrdhin Reynolds has written a brilliant and insightful book on the Yijing. This is a must-read for anyone interested in the study of this ancient classic." - Dzogchen Ponlop Rinpoche

"Enlightened Society is a profound and thought-provoking exploration of the Yijing's teachings on the nature of reality, the human condition, and the path to enlightenment." - Ken Wilber

"John Myrdhin Reynolds is one of the most respected teachers of Shambhala Buddhism in the world. His book Enlightened Society is a valuable resource for anyone interested in the study of the Yijing." - Trungpa Rinpoche

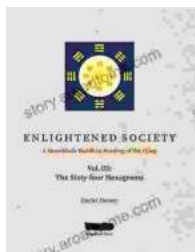

### **About the Author**

John Myrdhin Reynolds is a renowned teacher and practitioner of Shambhala Buddhism. He is the author of several books on Buddhism, including *The Golden Letters*, *The Way of the Bodhisattva*, and *The Essence of Shambhala*.

Reynolds has been teaching for over forty years and has led numerous retreats and workshops around the world. He is the founder and director of the Shambhala Meditation Center in Boulder, Colorado.

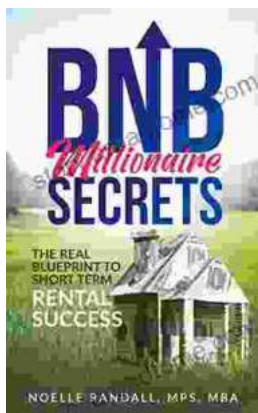

Reynolds is a gifted teacher and writer. His work is clear, concise, and accessible, and he has a deep understanding of the Buddhist teachings. Enlightened Society is a valuable contribution to the study of the Yijing and will be a source of inspiration and guidance for many years to come.
