

# Here We Are: Of Animals - A Profound Exploration of Our Place in the Natural World

**By Oliver Jeffers**

In his latest book, the acclaimed author and illustrator Oliver Jeffers turns his attention to one of the most fundamental questions of human existence: our place in the natural world. *Here We Are: Of Animals* is a stunning work of art and literature that will change the way you see the world.

The book begins with a simple yet profound question: "What is an animal?" Jeffers then takes us on a journey through the animal kingdom, introducing us to a wide variety of creatures, from the tiniest insects to the largest whales. Along the way, he explores the many ways that animals are like us and the many ways that they are different.
