This book is a gripping and informative account of some of the most notorious crimes in history, told by the investigators who solved them. These are the men and women who have spent their lives studying the criminal mind, and they have a unique insight into what makes criminals tick.

In this book, you will learn about:

- The psychology of crime

- The different types of criminals
- The methods that criminals use to commit their crimes
- The ways that investigators solve crimes

This book is a fascinating and eye-opening look into the criminal mind. It is a must-read for anyone interested in true crime.
