Charles Rennie Mackintosh was one of the most influential designers of the late 19th and early 20th centuries. His work is characterized by its simple, elegant lines and its use of natural materials, such as wood, leather, and glass. Mackintosh's furniture designs are particularly well-known for their beauty and functionality.

This book provides detailed shop drawings for 30 of Mackintosh's most iconic furniture designs, allowing you to recreate these masterpieces in your own home workshop. The drawings are clear and easy to follow, and they include all of the information you need to build each piece of furniture, including the dimensions, materials, and hardware.

Whether you are a professional woodworker or a hobbyist, this book is a valuable resource. It provides you with the opportunity to learn from one of

the great masters of furniture design and to create beautiful, functional pieces of furniture that will last a lifetime.

Table of Contents

-
- Materials and Tools
