In the quiet town of Willow Creek, the Harper family is shattered by a tragic accident. Mama Harper, the beloved matriarch, is found dead at the bottom of the stairs. At first, it seems like a tragic accident, but as the police investigate, they uncover a web of secrets, lies, and hidden motives that point to something more sinister.

Detective Sarah Jones is assigned to the case, and she quickly realizes that there is more to this family than meets the eye. Mama Harper was not the saintly woman everyone thought she was. She had a dark past that she kept hidden from her family, and her death may have been anything but an accident.

As Sarah digs deeper into the investigation, she uncovers a twisted tale of greed, betrayal, and murder. Each member of the Harper family has their

own secrets and motives, and as Sarah gets closer to the truth, she puts her own life in danger.

Mama Might Be Better Off Dead is a gripping psychological thriller that will keep you on the edge of your seat from beginning to end. With its complex characters, suspenseful plot, and shocking twists, this book is a must-read for fans of the genre.
