From his humble beginnings as a cannabis dealer in Oxford, Marks's journey took him to the heights of the international drug trade, where he became one of the most notorious figures in the world. Along the way, he encountered a cast of colorful characters, including Pablo Escobar, George Jung, and William S. Burroughs.

Marks's life was a rollercoaster of adventure, danger, and intrigue. He was arrested and imprisoned multiple times, but he always managed to escape or outwit his captors. His ability to outmaneuver law enforcement and stay

one step ahead of the authorities earned him a reputation as a master criminal.

But behind the façade of the drug lord, Marks was also a complex and compassionate individual. He was a devoted family man and a passionate advocate for drug legalization. After his release from prison, he dedicated his life to writing, speaking out against the war on drugs, and helping others who had been caught up in the criminal justice system.

Mr Nice is more than just a crime story. It is a deeply personal account of a man who lived a life of adventure, danger, and redemption. Marks's writing is honest, raw, and often humorous, and he does not shy away from the darker aspects of his life.

Whether you are a fan of crime fiction, true crime, or simply a curious reader, Mr Nice is a book that will captivate you from beginning to end. It is a gripping tale of adventure, danger, and redemption that will linger in your mind long after you have finished reading it.

“Marks's autobiography is a fascinating and thought-provoking read. It is a story of crime, drugs, and redemption, but it is also a story of a man who never gave up on his dreams.” —**The Guardian**

“Mr Nice is a must-read for anyone interested in crime, drugs, or the 1960s and 1970s counterculture. Marks's story is a cautionary tale about the dangers of drug smuggling, but it is also an inspiring story of a man who overcame adversity and found redemption.” —**The Sunday Times**
