That's where the This Name Or That Baby Name Activity comes in. This unique book provides a fun and easy way to narrow down your choices and find the perfect name for your child.

## How the Book Works

The This Name Or That Baby Name Activity is divided into 10 chapters, each of which focuses on a different category of baby names. For example, there's a chapter on traditional names, a chapter on nature-inspired names, and a chapter on unique and trendy names.

Within each chapter, you'll find a series of side-by-side comparisons of two baby names. Each comparison includes a brief description of each name, along with its meaning and origin. You'll also find a space to write down your thoughts on each name.
