Dr. Greer is a former medical doctor who has spent the last 30 years researching the UFO phenomenon. He is the founder of the Disclosure Project, a non-profit organization dedicated to bringing to light the truth about extraterrestrial life.

In *Preparing For Contact*, Dr. Greer draws on his extensive research to provide a detailed overview of the scientific, historical, and spiritual evidence of ET existence. He also provides practical advice on how to prepare for and navigate the challenges and opportunities of contact.

The book is divided into three parts.

The first part, "The Evidence," presents the scientific, historical, and spiritual evidence of ET existence. Dr. Greer discusses the many UFO sightings that have been reported over the years, as well as the physical evidence that has been collected, such as crop circles and alien abductions.

The second part, "The Preparation," provides practical advice on how to prepare for and navigate the challenges and opportunities of contact. Dr. Greer discusses the importance of staying grounded and centered, and of being open to new experiences. He also provides guidance on how to deal with the emotional and psychological challenges that may arise from contact.

The third part, "The Transformation," explores the potential benefits of contact with extraterrestrial beings. Dr. Greer believes that contact with ETs could help us to evolve as a species, and to create a more peaceful and sustainable world.

*Preparing For Contact: Metamorphosis Of Consciousness* is a must-read for anyone who is interested in the UFO phenomenon. It is a comprehensive guide that provides a wealth of information on the evidence of ET existence, and on how to prepare for and navigate the challenges and opportunities of contact.
