Lori Vallow: A Mother's Descent

Lori Vallow, a devoted mother and former beauty queen, seemed to have it all. But beneath the surface, a dark transformation was taking place. Influenced by extreme religious beliefs, she became obsessed with the idea of a looming apocalypse and the need for a "purification."

As Lori's grip on reality weakened, her behavior became increasingly erratic. She alienated her family and friends, convinced they were possessed by evil spirits. And in 2019, tragedy struck when her two

beloved children, 7-year-old JJ Vallow and 17-year-old Tylee Ryan, vanished without a trace.

Chad Daybell: A Prophet of the Apocalypse

Enter Chad Daybell, a self-proclaimed author and doomsday prophet who crossed paths with Lori through their shared religious beliefs. Daybell, known for his books on the end times and near-death experiences, captivated Lori with his apocalyptic prophecies.

As they became closer, their shared delusions intensified. They believed themselves to be chosen, destined to lead the surviving remnants of humanity after the world's destruction. And they saw Lori's children as obstacles to their mission.

Murder Most Foul

In July 2020, a shocking discovery was made. The charred remains of JJ and Tylee were found buried on Daybell's Idaho property. The children had been brutally murdered and dismembered.

Lori and Chad were promptly arrested and charged with murder. As the investigation unfolded, a chilling tale of conspiracy, religious extremism, and the cold-blooded taking of innocent lives emerged.

A Twisted Worldview
