In *We Need to Talk: Living with the Afterlife*, Dr. Eben Alexander, a renowned neurosurgeon, shares his extraordinary experience of dying and coming back to life. After a near-fatal brain infection, Dr. Alexander spent seven days in a coma. During that time, he traveled to the afterlife and experienced firsthand the beauty and wonder of the other side.

Dr. Alexander's experience is not unique. Millions of people around the world have reported having near-death experiences (NDEs). NDEs are often characterized by feelings of peace, love, and acceptance. People

who have had NDEs often report that they have gained a new perspective on life and death.

Dr. Alexander's book is a must-read for anyone who is interested in the afterlife. It is a thought-provoking and inspiring book that will challenge your beliefs about death and dying.
