

Wiley GAAP for Governments 2024: The Ultimate Financial Reporting Guide for Government Entities

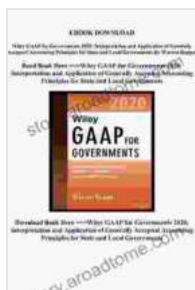

The Governmental Accounting Standards Board (GASB) is the authoritative body that establishes accounting and financial reporting standards for state and local governments in the United States. These standards are known as Generally Accepted Accounting Principles (GAAP) for governments.

The 2024 edition of Wiley GAAP for Governments is the most comprehensive and up-to-date resource available to help government entities comply with GASB standards. This book provides detailed guidance on all aspects of governmental financial reporting, including:

- Financial statements
- Budgeting
- Auditing
- Internal control
- Pension accounting
- Debt issuance
- Capital assets

Wiley GAAP for Governments 2024 is written by a team of experts with decades of experience in the field of government accounting. These experts have provided clear and concise explanations of the complex

GASB standards, making this book an essential resource for anyone involved in the financial reporting process for government entities.
